

Let's Decorate on December 7th.

What a fun occasion we have ahead of us! For the first time in what feels like an eternity—whether it's 60 years or perhaps even longer—we are thrilled to invite you to help create the magic of the season by decorating a Christmas

Tree at the R.D. Pike Building! Join us on Saturday December 7th from 3 to 5 P.M. and let's show off our community spirit! A wonderful community member has allowed us to harvest a tree from their plantation! We will

be decorating it with delightful, community-crafted ornaments designed for our feathered friends, including pine cones slathered in peanut butter and bird seed, vibrant dehydrated oranges, whimsical snowflakes, solar lights, and a dazzling tree topper! As we come together to celebrate the spirit of the season, we'll provide light snacks and warm drinks to keep the festive cheer flowing.

Your participation is requested to revive this cherished tradition while embracing our commitment to environmental stewardship. So, mark your calendars and join us in this heartwarming celebration as we ring in the

holiday season with joy and purpose at the R.D. Pike Building!
